DIVISION MEMORANDUM
No. 192, s. 2016

INTEGRATION OF SCOUTING TO ENGLISH
Grades I-VI

To : All PSDSs
Elementary School Heads
English Teachers (Elementary)

1. This is to inform the field that the Regional initiative, through the leadership of Dr. Isabelita M. Borres, Regional Director DepEd-Region IX, scouting will now be integrated in the English classes from Grades I to VI effective SY 2016-2017.
2. This is to be done by spotting entry points in the Curriculum Guides (Grades I-VI) in English where you can match the specific CHALLENGE/BADGE/BADGE WORK in Scouting. If the challenge and competencies serve the same purpose to develop same skill, then go for it.
3. In this case, everything has been done for you. All you have to do is to apply all the activities. There are integrations in each quarter. This will serve as a leverage in enhancing specific skills in English, but the main FOCUS in integrating scouting is VALUES FORMATION.
4. Reports on the implementation/integration of these competencies (Scouting and English) are expected to reach the division office after every quarterly examination or after every grading period.
5. For information, dissemination and compliance.
