From: **NATIVIDAD P. BAYUBAY, CESO VI**  
Officer-In-Charge  
Office of the Schools Division Superintendent

Subject: **Reproduction of Kindergarten Stories, SIMs and Module**

Date: June 9, 2016

This is to inform all kindergarten teachers that this office has made an initiative of developing Self Instructional Materials (SIM) and Module to address the gaps revealed and identified on the results of the ECCD Checklist and SReYA that domains on receptive language, self-help and expressive language are at risk of having developmental delays. Said SIMs and Module give focus attention to the child's development on the specified domains through thematic and play-based activities on specified schedules.

In this connection, LRMDS of this office will provide a soft or hard copy of every SIM and Module to each district thru the District Kindergarten Coordinator. In like manner, School Heads are advised to reproduce as soon as possible the said materials making these ready on the opening of classes.

Furthermore, this office also provides a copy of kindergarten stories from week 1 to week 40 and some video stories. However, kindergarten teachers are advised to translate these stories into mother tongue to localize them and turn into big books.

Expenses for the reproduction of these said materials shall be charged against School MOOE subject for the usual accounting and auditing rules and regulations.

Widest dissemination of this memorandum is desired.
