1. In 2010, the Department of Education issued DepED Order No. 51, series of 2010 entitled **“Guidelines on the Strengthening Science Education at the Elementary Level”**. Fortunately, Sindangan Pilot Demonstration School (SPDS), Sindangan Central District was included.
2. SPDS is one of the three (3) additional Schools added to the original three schools offering Special Science Elementary Schools (SSES) Project in our region as reflected in DepED Order No. 73, series of 2008.
3. Since then, the number of SSESs remains the same.
4. In order to promote, develop, equip the Zamboanga del Norte learners with scientific and technological skills, attitudes, creativity, positive values and lifelong learning skills for them to become productive partners in the community and society; the Schools Division of Zamboanga del Norte is instituting a One-District-One SSES project.
5. Ergo, in connection with the above-stated reasons, this Division will conduct the qualifying admission/aptitude test for the in-coming Grade 1 (SY 2017-2018) entrants utilizing the tools available at the regional office. Below are the schedule and name of central schools to be tested:
