SUBJECT: **Access to the LRMDs Sub-domain in the Division Web Portal**

DATE: June 22, 2017

1. To reinforce access to quality Learning Resources in order to make teaching and learning more effective, this Division has created the **LRMDs Sub-domain in the Division Web Portal** in which the users can have an easy access on the different types of instructional/learning materials.
2. The LRMDs Sub-domain is purposely created not only to have access on the repository of learning resources for downloading but it also provides a leeway for the users to direct their query and view some information about LRMDs issues and concerns.
3. The said link can be accessed by opening first the DepEd ZN Web Portal ( **depedzn.net** ) then click the LRMDs tab and it will direct you to the LRMDs sub-domain site.
4. To continually improve the delivery of quality learning resources for quality teaching and learning, the EPSs, PSDSs, School Principals, Teachers, DALCs, Mobile Teachers and all other concerned are hereby directed to access and strengthen its utilization.
5. Widest dissemination and compliance to this memorandum is enjoined.
