RECEIVED

AUG 31 2017

Dear Superintendent Natividad,

Greetings!

Supplemental to the mandate of the Philippine Science High School System in its conduct of a series of caravans and campaigns in public and private schools of cities and municipalities around a particular region prior to the simultaneous administration of the National Competitive Examination (NCE), an intensive *review* to the prospective and interested NCE examinees is deemed of paramount importance in order to hone the latter in core subjects like Science, Mathematics, English, and Abstract Reasoning. Moreover, the review for the NCE shall also become an opportunity of a PSHS campus for the promotion of the culture of science and technology to other learning institutions where the examinees may come from.

In cognizance to the abovementioned premise, Philippine Science High School-Zamboanga Peninsula Region Campus (PSHS-ZRC) plans to conduct another Pakigdait Outreach Program called **PISAY** or **Preparing Ingenious Scientists Among the Youth** whose primary objective is to thoroughly review aspiring scholars of PSHS in different core subjects that form part in the coverage of the National Competitive Examination. Given for free to Grade Six pupils of Zamboanga Peninsula, the review shall commence immediately after the deadline of the submission of NCE application forms on September 1, 2017. Apart from training the examinees for the actual day of the examination, the review shall also prepare and orient them to the policies and procedure followed during examination that can contribute to their success in eventually becoming a qualifier to PSHS next school year.

It is in this connection that we would humbly like to invite **170 (50 for Cluster A and 120 for Cluster B)** Grade Six pupils of **DepEd Zamboanga del Norte Division** to attend the review for the NCE on September 16, 23, and 30, 2017 at the temporary site of PSHS-ZRC in Dipolog Sports Complex, Brgy. Olingan, Dipolog City (Cluster A) and at Sindangan Pilot Demonstration School (Cluster B). The participants to the review sessions are advised to bring their own food for lunch and snacks and shall take charge of the transportation expense that may be incurred in attending the review.

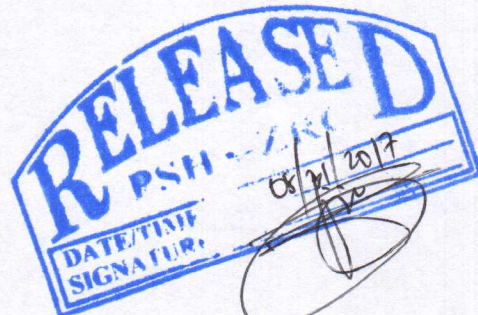

Thank you very much! In hopeful anticipation that this earnest request merits the good Superintendent's kind consideration and approval, we remain

Very truly yours,

RRYAM A. JARALVE
Chief, Curriculum and Instruction Division
Focal Person, Pakigdait Outreach: PISAY

PROJECT PROPOSAL School Year 2017 – 2018

I – GENERAL INFORMATION

Title: **PAKIGDAIT OUTREACH: Preparing Ingenious Scientists Among the Youth**
Venue: Dipolog Sports Complex, Brgy. Olingan, Dipolog City
Dates: September 16, 2017, September 23, 2017, September 30, 2017
Time: 8:00AM to 12:00 Noon and 1:00 PM to 5:00 PM

II – BACKGROUND AND RATIONALE

Supplemental to the mandate of the Philippine Science High School System in its conduct of a series of caravans and campaigns in public and private schools of cities and municipalities around a particular region prior to the simultaneous administration of the National Competitive Examination (NCE), an intensive review to the prospective and interested NCE examinees is deemed of paramount importance in order to hone the latter in core subjects like Science, Mathematics, English, and Abstract Reasoning. Moreover, the review for the NCE shall also become an opportunity of a PSHS campus for the promotion of culture of science and technology to other learning institutions where the examinees may come from.

In cognizance to the abovementioned premise, Philippine Science High School-Zamboanga Peninsula Region Campus (PSHS-ZRC) plans to conduct another Pakigdait Outreach Program called **PISAY** or Preparing Ingenious Scientists Among the Youth whose primary objective is to thoroughly review aspiring scholars of PSHS in different core subjects that form part in the coverage of the National Competitive Examination. Given for free to Grade Six pupils in select areas of Zamboanga Peninsula, the review shall commence immediately after the deadline of the submission of NCE application forms on September 6, 2017. Apart from training the examinees for the actual day of the examination, the review shall also prepare and orient them to the policies and procedure followed during examination that can contribute to their success in eventually becoming a qualifier to PSHS next school year.

III – OBJECTIVES

The Pakigdait Outreach: Preparing Ingenious Scientists Among the Youth (PISAY) aims to achieve the following objectives:

1. Review potential scholars of PSHS with core subjects, namely: Science, Mathematics, English, and Abstract Reasoning;
2. Orient examinees with the policies and guidelines of the PSHS National Competitive Examination;
3. Promote the culture of science and technology to other learning institutions within the region.

IV – TARGET PARTICIPANTS

The target participants to the Pakigdait Outreach: Preparing Ingenious Scientists Among the Youth (PISAY) are the Grade Six public school pupils who shall be identified by the respective Division Offices of the Department of Education (DepEd) in Dapitan City, Dipolog City, and Zamboanga del Norte.

The following is the table that provides the summary of the number of participants per cluster that is subdivided into various DepEd Divisions. To wit:

Cluster A

(Venue: Dipolog Sports Complex, Brgy. Olingan, Dipolog City)

DepEd Division	Number of Participants
Dipolog City	40
Dapitan City	30
Zamboangadel Norte	50
- First Congressional District (Rizal, Mutia, Piñan, Polanco, Sibutad, La Libertad, Sergio Osmeña)	
- Second Congressional District (Katipunan, Roxas, Manukan)	
TOTAL	120

Cluster B

(Proposed Venue: Sindangan Pilot Demonstration School)

DepEd Division	Number of Participants
Zamboangadel Norte	60
- Second Congressional District (Jose Dalman, Sindangan, Siayan)	
Zamboangadel Norte	60
- Third Congressional District (Leon B. Postigo, Liloy, Salug, Tampilisan, Labason)	
TOTAL	120

V – DETAILS AND PROCEDURE

E. Schedule of Activities

The participants in every scheduled date of review shall be divided into three groups that correspond to the subject areas (Science, English, and Mathematics and Abstract Reasoning) to be covered in the review sessions. Facilitators of the review per subject area shall then move to another room after every session until the last group will be reviewed.

Time	Activity
7:00AM – 7:30AM	Registration
7:30AM – 9:30AM	First Session
9:30AM – 11:30 AM	Second Session
11:30 AM – 1:00PM	Lunch Break
1:00PM – 3:00PM	Third Session
3:00PM – 4:00PM	Feed-backing and Evaluation
4:00PM	Departure

F. Review Facilitators

The Pakigdait Outreach: Preparing Ingenious Scientists Among the Youth (PISAY) review sessions shall be facilitated by the teaching personnel of PSHS-ZRC, namely:

Subject Area	Cluster A	Cluster B
Science	Robinson S. Luzon	Carlo M. Salimbangon
English	Euney B. Guia	Jill Daryl F. Cardeno
Mathematics and Abstract Reasoning	Rryam A. Jaralve	Lovely B. Bacara

In the exigency of the service, other faculty members may be asked to act as review facilitators and/or serve as secretariat or officer of the day who shall be in charge of the registration and evaluation of the review sessions.

G. Invitation

The Pakigdait Outreach: Preparing Ingenious Scientists Among the Youth (PISAY) shall be made known to the three DepEd Division Offices mentioned above through a letter addressed to the respective Superintendents. The DepEd Division Offices shall then inform PSHS-ZRC through writing about the names of the review participants chosen at their discretion.

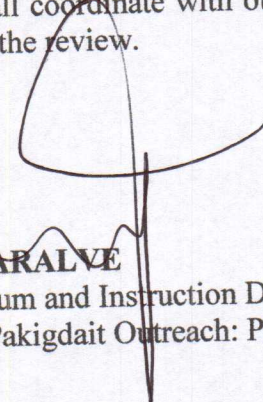

The participants to the review sessions shall bring their own food for lunch and snacks and shall take charge of the transportation expense that may be incurred in attending the review.

H. Logistics

A letter addressed to the Schools Division Superintendent of Zamboangadel Norte thru the District Supervisor and the School Principal of Sindangan Pilot Demonstration School shall be made to ask for approval for the use of at least three (3) classrooms to be used for the review sessions in Cluster B.

VI - MONITORING AND EVALUATION

The CID Chief, acting as focal person to the Pakigdait Outreach: Preparing Ingenious Scientists Among the Youth (PISAY), shall monitor on the progress of the preparation of the activity and shall coordinate with other offices on the things needed for the successful conduct of each session of the review.
