*Empowering Leaders, Building Communities*

March 8, 2017

**DR. ESABELITA M. BORRES**  
Regional Director  
DepEd Region IX

Dear **Dr. Borres**:

As the Philippines prepares itself to launch for a greater and meaningful beginning, Saceda Youth Lead takes pride in complementing the various initiatives of the government specifically in youth development. The past 18 years, SYL put its might in honing the leadership skills of the youth all over Philippines and the ASEAN region. With its sheer determination, we reached many localities to promote and develop the well-being of the Filipino Youth- the most important resource of the future.

Developing and empowering the youth of today demand the ability to know various shifting objectives. Across the Philippines and the world, our youth face common challenges that require a wide range of advanced skills. Today, I feel that we are somehow losing them from the various gadgets, internet and computer games; some of them are forgetting the core values in life; some of them are becoming lax in their education. Some of them are clinging on as their families have been broken.

To prepare them to address these challenges, Saceda Youth Lead and its major partners, will hold the 2017 National Summer Leadership Camp, an annual youth event which will be held on the following dates and venues:

April 17-23, 2017	Mindanao Leg Dole Philippines School, Polomolok, South Cotabto April 17-23, 2017
April 24-30, 2017	Visayas Leg Saceda Youth Lead Center, Dumaguete City April 24-30, 2017
May 1-7, 2017	Luzon Leg Alaminos City National High School May 1-7, 2017

*syringes, sutures, povidone, feeding program for a recipient institution and for other related expenses;*

*The registration fee can be solicited from family members like grandparents, uncles and aunts, relative and friends.*

*Teacher participants will earn 9 units in the MA Educational Management/ Ed. D units as the summer camp modules have equivalency in the graduate school program. The granting institution is Negros Oriental State University; all interested teachers will need to add P7,000 to be enrolled to this program.*

*We hope that this event will forge personal relationships that enable lifelong professional opportunities and friendships thereby promoting peace and mutual understanding for the development of the self, family, community, and the nation-the most valuable legacy of Saceda Youth Lead experience.*

*Thank you very much!*

*Sincerely,*

**DAVE G. SACEDA**  
*Chair and Founder*

## MODULES:

### Socratic Dialectic (Knowing Thyself)

The Ancient Greek aphorism "know thyself", is one of the Delphic maxims and was inscribed in the pronaos (forecourt) of the Temple of Apollo at Delphi. Truth mirrors reality and it logically follows that the best way to decipher the truth about yourself is by personally observing and experiencing the reality of which you are a part. This module will use language as the means by which the context confronting your awareness may be rationally, realistically and reverently described to navigate the parameters of existence through your personal reflections and come to terms with the essence of YOU

### Decision Making, Negotiation and Conflict Transformation

Participants are exposed to several negotiation styles and are given the beyond basic negotiation skills training to address the various challenges in team relationships- personal and or professional. This further evaluates the effects on greater team efficiency to achieve a stronger and a more harmonious working environment.

### Women and Leadership

A study of women of the world who hold potential leadership roles; who have greatly inspired societies and countries in their times. This module focuses on understanding the honing abilities of women executives as co and equal partners in total human development.

### Domains of Intelligences

The importance of knowing the God given talents (intelligences) must well be manifested in skills of individuals and in order to maintain such high level of competence, each person must possess sets of values in order to increase and effect change for the self, family, community and nation. This module allows the participant to identify his and her powers through theory and practice.

### Social Graces and Etiquette

Ms. Manners will require every participant to study social graces and etiquette and how to act politely in social situations. From Personal grooming, table manners and etiquette, do's and don'ts in diplomacy, and protocols-unraveling a new world where soft skills can become allies in total human development.

### Team Effectiveness and Leadership

An intensive study of the ten elements of leadership which are: purpose, individual roles, team leadership roles, planning, decision making, communication, trust, conflict transformation, cooperation and team fighting spirit, which is an important aspect for total human development. This module covers the overall aspect of team work and efficiency addressing issues on personal laxity and inefficiency which may damage reputation and credibility.

### Eco-Challenge

This is the practicum phase of the intensive training. All participants will undergo a 12 hour physical, mental and emotional testing through the 25 obstacle courses scattered all over the city for them to hurdle. Each team composed of 10 members and a facilitator will need to achieve all the obstacle courses using all the theories and the elements of team effectiveness and leadership.

### Community Outreach and Volunteerism

Is the policy or practice of volunteering one's time or talents for charitable, educational, or other worthwhile activities, especially in one's community. This will stir the inspiration and interest of every participant to take active roles in building a community where enthusiasm is applauded to become a life-long commitment to a responsible public citizenship

## ABOUT SACEDA YOUTH LEAD

Saceda Youth Lead is a Youth Serving Institution of the Philippines under the auspices of the National Youth Commission of the Philippines. For 18 years now, it continues empowering elementary, high school and college students and even professionals to become most effective citizens of our country by providing them opportunities in leadership, community service and exchange and builds leadership through education and action.

SYL believes that through our youth and our teachers we will see the future of our country and through their good deeds we will prosper as one nation. It believes that education is the backbone of our economy and it needs greater partnership and collaboration with other institutions to empower the Filipino Youth to become better citizens of our country by providing them opportunities in leadership, community service and social action. It believes in the ripples of modest beginnings that societal transformation must start from within and that involves training and awakening of the self; given the chance and guidance, one can become an agent of change for God and country.

Saceda Youth Lead will be an Affiliate Member of the United Nations World Tourism Organizations in 2016 (affiliation is in progress), a Registered Member of the Philippine National Volunteer Service Coordinating Agency of the National Economic and Development Authority (NEDA), registered as a Youth Serving Institution under the auspices of the National Youth Commission. It is a recognized NGO on youth empowerment and development by the Charter for Compassion, Harvard University Alumni Association of the Philippines, Ngee Ann Polytechnic of Singapore, Department of Youth and Sports, Brunei Darussalam and the Berg Institute, along with the recognition from the Department of Education, and Commission on Higher Education. It has empowered more than 200,000 youths and teachers in all its programs and activities in the Philippines and the ASEAN region.
