July 6, 2020

Dr. ISABELITA M. BORRES

Regional Director

DepEd Region 9

Tiguma Airport Road, Pagadian City

Dear Dr. Borres:

We would like to cordially invite the students and teachers from the Philippine Schools to take part in the **World Robot Games – Philippine Preliminaries Online** which will take place starting **September 19, 2020**.

Through this online event, we hope to further prepare the Filipino students to perform with competence and excellence following the protocols of the New Normal. As the rest of the world tries to recover from the damages brought forth by the devastating Covid19, the Philippines shall rise over these challenges and the Filipino Youth will continue to learn and win over the obstacles of this pandemic.

Here are some of the important information about the *World Robot Games- Philippine Preliminaries Online*.

What: The WRG Philippine Preliminaries Online is a pre-qualifying competition to select and determine the recipients of Philippine Robotics Team Scholarships and Automatic Slot Qualification to the World Robot Games-Taiwan in 2021.

Method: All contests are to be held online via video conferencing platforms and live streaming.
