Dear Dr. Borres,

A pleasant greeting from International Youth Fellowship - Philippines!

The International Youth Fellowship (IYF) is a global organization that is YDRP registered at the National Youth Commission and dedicated to the spiritual, intellectual, and emotional growth of young people around the world. Through our programs, events, and practical opportunities, we aim to mold the holistic development in our young generation and for them to transcend beyond their limitations.

In line with this, the IYF-Philippines will once again conduct another virtual youth event entitled "Youth Empowerment Summit" with the main theme "Break free: Overcoming your fears towards the greatest success." featuring mind talk, leadership management, and various youth activities. This will be held from June 14 (Mon) to 16 (Wed), 2021, via zoom, Facebook, and YouTube live.

As one of the leading national government agencies promoting youth welfare and development of education, we humbly request your support for the promotion and dissemination of this event. We would like to invite young people, youth organizations, and other interested individuals through your organization to be part of this life-changing event.

This event is 100% free and will be focusing on leadership and character development. We also invited international guest speakers and prepared fun-filled activities. E-certificates will be given to those who will complete their attendance. Attached herewith is the poster of the event for your reference.
