### TO WHOM IT MAY CONCERN

Greetings of Solidarity!

We are Leaders for Excellence, Action, and Development – College of Home Economics, a service-oriented, socio-political organization based in the College of Home Economics which aims to serve its students, the University, and the Society. Since its inception, LEAD has been actively involved in organizing various student activities built on the party's campaigns and advocacies, training students to become effective and efficient leaders, and by being elected into various positions in the College of Home Economics Student Council.

For our 19th anniversary, LEAD-CHE would like to hold a month-long celebration filled with various events which will commence on February 2, 2021 and will end on February 28, 2021. LEAD-CHE aims to give back to its community as it fulfills its mandate of serving the college, the university, and society. One of the events that we will be organizing is "**Ha? Halalan: A Webinar on the Basics of Registration and Voting in the Philippines**", a webinar about the Philippines' electoral system as well as voters' rights, especially that the election is upcoming. The event will be held on **February 20, 2021, 3:00 PM - 5:30 PM via Zoom**. One of the speakers will be **Mr. James Jimenez, Spokesperson of COMELEC**. Attached is the program flow for the said event.
