Per information, after these materials will have been QAd by our Division QA teams (Elementary and Secondary), soft copies of these will be forwarded by the region to the 8 division offices in Region IX for further perusal and QA by their specific teams. Should there be errors spotted by them, there and then we will be notified for possible changes based on the other division's suggestions for finality and refinement. To avoid this, each team of writers is encouraged to really be smart in checking the details/contents of each SLM.
