SUBJECT : PROVISION OF TECHNICAL ASSISTANCE UNDER PROJECT "RISE"
 (Renaming, Integration, Separation and Establishment of Schools)

DATE : April 25, 2022

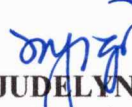

- Project "RISE" or Renaming, Integration, Separation and Establishment of Schools was conceived to underscore compliance of public schools to quality standards as provided under DepEd Order no. 40, s. 2014. Based on existing planning data, at least forty-three (43) established annexes and schools still have issues on the law or ordinance creating them, their juridical names, and independence which concerns are carried over to their respective other primary documents like the PSIPOP. Likewise, at least fifty (50) existing extension classes whose status and documents supporting their operation are under review and re-validation for their possible establishment as independent schools.
- In view of the foregoing, this Office, through the Schools Governance and Operations Division, announces conduct of virtual RISE Technical Assistance on May 30 & 31, 2021, in order to guide the schools of the documentary and procedural requirements applicable to their current status, to wit:
