REGIONAL DIRECTOR

Dear Ma'am,

Greetings of Peace!

The 1st Civil-Military Operations (Mahigalaon) Battalion, 1st Infantry (Tabak) Division, Philippine Army as your partner agency in nation building and advocates of peace and development would like to conduct an Information Awareness Campaign activity to the graduating Grade 12 students of K to 12 Program before their graduation within our area of responsibility.

Innocent students are the potential recruits and vulnerable victims of deceptive recruitment of terrorist groups that eventually ruin their future. As they prepare to pursue their bachelor's degree in college to fulfil their dreams to have a better living. It is essential for them to be aware of the danger and consequences of associating themselves with unscrupulous individual or groups lurking in some colleges and universities around the country, pretending to be recruiters of the legitimate school organization but at the end turn out to be recruiters of the CPP/NPA terrorist, quite a number of our promising college students who have fallen in the hands of this communist terrorist have ended up dead in an encounter with our army troops. The dreams and future of these kids were all shattered and wasted.

In 2019, an organization were formed "Hands Off our Children Movement Inc." by the mothers of those recruited college students who have joined the CPP/NPA terrorist, some were reported to have been missing and can no longer be located to this time, while others were killed by the CPP/NPA themselves. Which was late on exhumed and recovered by our troops and returned to their parents/relatives. Among the primary topic which we would like to impart with the students are:

1. Terrorist deceptive recruitment process.
2. Preventing and Countering Radical Violent Extremism (PCRVE).
3. Anti-Terrorism Law.

With this, we would like to request your cooperation and assistance in this significant endeavor as partners in government under Executive Order 70, to direct all your High School Principals within your jurisdiction, to allow us at least three (3) hours period to render lectures to all (K12) graduating students for them to be enlighten and equip with knowledge to avoid the CPP/NPA terrorist.

By 2028, a World-class Army that is source of national pride.

Should there be queries, we can be contacted on our mobile number: 0906-
or e-mail address h1cmobn.1idpa@gmail.com.

Looking forward for your positive response.

Respectfully yours,

LTC ABDELHALIM H SAKILAN MI (GSC) PA
