The annexed list of athletes, coaches, asst. coaches, trainers, and chaperones shall be deemed final, barring any voluntary withdrawal, replacement for cause, or disqualification of an athlete, coach, assistant coach, trainer, or chaperone after final review by the DSAC, with the knowledge of the SDS. Thereafter, the final official list will be printed, posted on and disseminated to, before the end of January 2017.
2. As an integral part of the preparation, a 14-day In-house training of athletes shall be held in **Sindangan National Agricultural School**, or in the venues as expediently authorized by the Division Sports Management Committee, from **February 26** until **March 11, 2017**.
3. Concomitantly, the following mechanisms shall be adopted and implemented by all concerned, so as not to compromise the academic performance of the qualified athletes, and to make sure that the very purpose of the In-house training shall be well-served, to wit:
 - i. School heads concerned are asked to facilitate in the design and implementation of a *make-up class program* for the their

participating athletes, to commence three(3) days after the Regional Meet, leading to their special taking of the 4th Quarterly Examination not later than March 31, 2017.

- ii. The school may excuse their athletes in all quizzes and work performances they must have missed during the in-house training, or may give special quiz and work performances during the make-up classes.

 - iv. Except when the schedule of NAT exams as set forth in DepEd Order 23, s. 2016 is reset to some other dates, the qualified Grade 10 and Grade 6 athletes shall be allowed to return to their school of origin and shall be allowed to take the NAT exams on March 2, and March 9, 2016, accordingly. They are expected to return to the In-house venue a day after the examination date.
