Warmest Greetings from IYF!

**IYF (International Youth Fellowship)** was founded in 2001, and with the mindset of **Challenge, Change and Cohesion**, has been leading the way to education system. IYF Mind Lectures provide the clear analysis of the heart, desire, self-control, isolation, exchange, wisdom and the world of the heart and the proposes solutions to youth and every individual who live in a materialistically abundant 21<sup>st</sup> century, however cannot control their hearts and grieve due to unseen pain and depression, and to those who are confused and experienced conflicts in a rapidly changing world with intense competition. The purpose of this event is to revolutionize the idea of leadership by focusing on the importance of having a leader's heart as an educator, being aware of the relevant issues in the country which affect our student's education.
