2. Observations/Findings:

- It was observed that out of the 18 pupil contestants who took the competency on getting the main idea and its supporting details only two (2) got the right answer.
- 5 out of 15 pupil contestants got zero due to not following instruction.
- 24 pupil contestants took the test using the graphic organizers but only 5 answered the test fairly.

- Grade VI pupil contestants had difficulty in identifying the simile used in the selection, and likewise in the giving of meaning through context clue.

Analysis:

- Pupil contestants are not used to answer test in graphics and pictures.
- Pupil contestants are not exposed to varied types of test.

Recommendations:

- Expose pupils to varied types of test like the use of pictures, graphic organizers, X or ✓, blackening, etc.
 - Expose children to the three levels of comprehension check/questions like *reading within the lines*, *reading between the lines* and *reading beyond the lines*.
 - Make reading activities a daily routine that is more interesting and interactive.
3. Widest dissemination of this memorandum to all concerned is desired for their information and guidance.
