 - There was misconception on the difference among sayawit, interpretative dance and action song.

 - Guidelines/mechanics must be strictly followed so as not to create problems in the future most especially that every participant is accounted off for budgeting and for other logistic preparations.
 - Coaches must clearly understand the difference among sayawit, interpretative dance and action song.
 - Promote austerity in every school activity by all means.
 - Let children understand and appreciate the real meaning of what they perform, recite or sing not only during the competition but also even when they're doing the same in their respective classroom.
