SUBJECT : **READINESS ASSESSMENT DATA**

DATE : September 30, 2020

1. The Department has been constantly monitoring the status of printing and delivery of self-learning modules (SLMs), as well as their distribution to the field, in an effort to ensure the availability of these learning resources in schools and to the learners in time for the opening of SY 2020-2021 this October 5, 2020. Along the line, DepEd also accounts the support of partners which has enabled field offices and schools to augment their financial and logistical capabilities to address gaps in the printing/reproduction, delivery and distribution of SLMs at all levels.
2. In line with the foregoing effort, this Office urges all concerned to provide timely and accurate data as required by the higher office. The district supervisors through their respective M&E coordinators are enjoined to lead the data consolidation prior to their submission to the following links:
