Date: August 13, 2020

1. The Schools Division of Zamboanga del Norte, through the Social Mobilization and Networking (SMN) Unit, conducted a virtual Orientation on the Basic Education Learning Continuity Plan (BE-LCP) and the Roles of Parents, PTA Officers and Local Officials in the midst of COVID-19 last August 12, 2020, 9:00AM – 12:00PM. District PTA federation presidents, district supervisors, SB education committee chairpersons, and the local chief executives of the 25 municipalities participated in the orientation. It provided the stakeholders a clear understanding of the BE-LCP and now they may provide support to better prepare for the opening of classes on August 24, 2020, for School Year 2020-2021.
2. Following the positive feedback from the stakeholders, and in the furtherance of the D.O. For monitoring purposes, submit to the SMN thru email znsocmob@gmail.com the schedule/s and program of the school orientation on or before August 16, 2020.
3. The district supervisors, in consultation with the school heads, may conduct the orientation on face-to-face without compromising the health standards, guidelines and protocols set by the DOH and IATF for COVID-19 mitigation. Close coordination with the local RHU is strongly recommended.
