Division Memorandum  
No. 132 s. 2020

TO: The Education Program Supervisors  
The Public Schools District Supervisors  
The Elementary and Secondary School Heads  
The Elementary and Secondary School Teachers  
This Division

FROM:  **MA LIZA R. TABILON EdD, CESO V**  
Schools Division Superintendent

SUBJECT: **Utilization of DepEd Commons**

DATE: April 16, 2020

As most parts of the country remain under community quarantine due to COVID – 19 outbreak, the Department of Education has launched “DepEd Commons”. This is an online platform for public and private school teachers and learners to support distance learning modalities. There are activities that learners can work on while at hm for continuity of their learning.

It has been noted, however, that only a few of the learners have taken advantage of the use of the said learning platform. Taking into account the positive gains this platform will give to learners and teachers; this office highly encourages those with access to stable internet connection to utilize the “DepEd Commons”.

The school heads are encouraged to continue the gathering of feedbacks from teachers and learners on their utilization of the DepEd Commons and to submit photos on its utilization as well as the learners and teachers’ comments/insights regarding their learning experiences for consolidation and online submission by the PSDSs to the CID office.

The Education Program Supervisors are to gather the feedback of their specific learning area for reference purposes in trainings and in the provision of technical assistance to teachers.

For information and guidance.
