Division Advisory No. 049 s. 2019

December 26, 2019

In compliance with DepEd Order No. 8 s. 2013

This advisory is issued not for endorsement per DO 28, s. 2001

But only for the information of DepEd officials,
Personnel/staff, as well as the concerned public.

(depedzn.net)

Plastic Art (PLART) Competition

This has reference to the e-mail sent by the Blue Initiative, a youth-led organization based in Cebu working in affiliation with One Ocean Global and Project SWAP (Sustainable Waste Action Program), a National Geographic Young Explorer project inviting our learners and/or teachers to participate in the PLART (Plastic Art) Competition with the theme "Philippine Flora and Fauna".

The program aims to combat pollution through the promotion of the upcycling of solid waste. This competition is a great opportunity for learners to incorporate sustainability into art while promoting the conservation of Philippine biodiversity.

This competition is open to all ages and will be open for registration from September 30 until October 10, 2020 through bit.ly/plartcompetition. Attached is a file containing the details and deadlines of the competition. Should you have any questions, clarifications, or recommendations, feel free to contact through email blueinitiativeph@gmail.com, text, or direct message to +63 999 812 7127 or follow to the following social media accounts at Facebook: Blue Initiative facebook.com/blueinitiativeph and Instagram [@blueinitiative](https://instagram.com/blueinitiative) instagram.com/blueinitiative.

Immediate dissemination of this advisory is desired.
