Maam:

The Department of Science and Technology – Science Education Institute (DOST-SEI) is implementing the Undergraduate S&T Scholarships. This is open to Grade 12 students who would be pursuing S&T priority courses in college. DOST-SEI manages the program. Its activities include acceptance of application documents and supervising the actual examination, among others.

Due to restrictions on travel and conduct of mass gathering, DOST-SEI has decided to forego the conduct of the Scholarship Examination for this batch. Instead, DOST-SEI will be assessing the applicants based on their grades in high school as one of the main criteria. The grades required are as follows:

Period Covered	Grades Covered
Grade 9	Average of first to fourth grading period
Grade 10	Average of first to fourth grading period
Grade 11	Average of first to second grading period (first semester) only

Anent this, may we humbly request assistance from your good Office to help us expedite the process of collection of the required grades for applicants under your Division? Form 137 of the applicants will suffice for this. We hope to complete the collection of grades by **16 April 2021**.

DOST-SEI also requested the assistance from DepEd Central Office regarding this. We attached the DepEd-issued memorandum on this matter and the list of applicants from your Division for your ready reference. Our staff, Mr. Eddie Lloyd Mark C. Dolor, will coordinate with your Office to follow-up this request. He can also be contacted at his mobile number 0945 776 0019 or at [dost.zamboangadelnorte@gmail.com](mailto:dost.zamboangadelnorte@gmail.com).

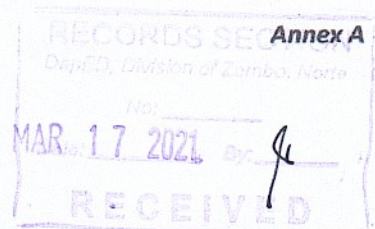

Thank you very much for your usual assistance.

Sincerely,

SUBJECT : **REQUEST FOR ASSISTANCE IN FACILITATING AND/OR**  
**EXPEDITING THE COORDINATION AND COLLECTION OF**  
**FORM 137**

DATE : February 26, 2021

This has reference to the Department of Science and Technology-Science Education Institution (DOST-SEI) Undergraduate Scholarship Program open to graduating senior high school students in both STEM and non-STEM track/strand.

The DOST-SEI proposes the use of grades covering specific periods of our senior high school students as proxy indicators, in lieu of conducting a qualifying examination due to the dangers of emerging new variants of the virus.

For this reason, this Office hereby requests the assistance of all concerned for expediting the coordination and collection of all the applicants' Form 137.

Enclosed are the details for your reference.

Your immediate action is requested.

Thank you very much.
