Subject: **DAILY UPDATING OF LEARNERS' VACCINATION STATUS**

Date : **February 7, 2022**

1. This division reiterates Memo # OUCOS-PS-2022-012, **DAILY UPDATING OF LEARNERS' VACCINATION STATUS dated February 7, 2022**. This is in line with the Department of Education's effort to reintroduce face to face classes in basic education, and in support to national governments vaccination drive for learners, a tagging facility for COVID 19 learner vaccination has been recently deployed in the Learner Information System. This tagging facility was designed to collect learners' vaccination data and monitor the progress of vaccination.
2. With this, all LIS coordinators are directed to regularly update the learners' information relative to their vaccination status. The Planning Officer of this division will be monitoring and providing technical assistance to schools with challenges on updating. DepEd Central and Regional Office will be monitoring these data for the implementation of limited face-to-face classes.
3. For immediate dissemination and compliance.
