SUBJECT: **MONITORING OF THE SCHOOL BE-LCP FY 2022 IMPLEMENTATION**

DATE: March 26, 2021

1. In view of the progressive expansion of the limited face-to-face opening of classes, the school's transitioning from the employment of distance learning modality to blended learning modality with face-to-face interaction with learners is imperative since their transition plans must have been in place and at work. With this premise, this Office enjoins the conduct of monitoring of the school BE-LCP, FY 2022 from March 28 to April 15, 2022, using the online tool in the link provided below.
2. The School Governance and Operations Division through the SMM&E Unit shall interface with the Curriculum and Implementation Division for this data-gathering activity. The division monitoring teams for the limited face-to-face classes shall remain as such, and continue the M&E activities for progressive expansion and the school BE-LCP implementation until end date. The district heads thru the district M&E Coordinator are encouraged to derive M&E data from schools already visited by division or district monitors using the tool as contained in this link: bit.ly/znLCPmonitoring2022.
3. The SGOD thru the SMM&E is expected to render consolidated M&E report to this office not later than April 20, 2022.
4. Compliance with and wide dissemination of this Memorandum is highly desired.
