OUA MEMO 00-0322-0020

MEMORANDUM

02 March 2022

**For: National Composite Team for the Pilot Implementation of Limited Face-to-Face Classes
Regional Directors and BARM Education Minister
Schools Division Superintendents
Regional and Division School Health Personnel
School Heads**

Subject: RESUMPTION OF THE DELIVERY OF SCHOOL-BASED HEALTH SERVICES IN SCHOOLS PARTICIPATING IN THE PILOT IMPLEMENTATION OF LIMITED FACE-TO-FACE CLASSES

Consistent with the **DepEd-DOH Joint Memorandum Circular 2021-01** titled *Operational Guidelines on the Implementation of Limited Face-To-Face Learning Modality* (Item Nos. 7.4.5 and 7.4.6), the Office of the Undersecretary for Administration, through the Bureau of Learner Support Services-School Health Division (BLSS-SHD), directs all schools that are implementing face-to-face classes to **resume the delivery of school-based health services to learners.**

These include:

1. Health assessment
2. Nutritional assessment (height and weight taking)
3. Vision screening
4. Deworming
5. Immunization
6. Other medical, dental and nursing services.

Health services shall preferably be delivered to the learners as they attend the face-to-face classes in schools.

Schools may also request learners, who are in the home-based learning modality, to report to the school solely for the purpose of availing these services.

Schools are also asked to resume the recording and reporting of learner's data generated through forms being filled up for Basic Education Information

Office of the Undersecretary for Administration (OUA)

[Administrative Service (AS), Information and Communications Technology Service (ICTS), Disaster Risk Reduction and Management Service (DRRMS), Bureau of Learner Support Services (BLSS)]

System (BEIS) or for the School Dental Health Care Program (SDHCP).

Schools that have not joined the pilot implementation of limited face-to-face classes shall continue with the community-based delivery of health services. This is covered in **OUA Memorandum No. 00-1020-0198** titled *Advisory on the Implementation of the Medical-Nursing Services and the Adolescent Reproductive Health Program for SY 2020-2021*.

Officials in these schools are encouraged to allow the use of their premises for the Community-Based Immunization, especially if DepEd learners are among the beneficiaries. They will be guided by **OUA Memorandum No. 00-1021-0118** titled *Recommendations on the Requests of LGUs to Use DepEd Schools for Community-Based Immunization* which was approved by the Secretary.

The consent of the learners' parents shall be secured in services where they are required (e.g., deworming, immunization).

All involved shall strictly observe the required health standards in the delivery of the services.

The National Composite Team in charge of the pilot implementation of limited face-to-face classes is requested to reflect these activities in any future revision of the circular on face-to-face classes.

For questions and concerns, please contact **Dr. Lilibeth P. Miranda-Gonzales**, Supervising Health Program Officer and Medical and Nursing Services Coordinator, or **Dr. Cynthia D. Coronado**, Dentist III and Dental Services/School Dental Health Care Program Coordinator, BLSS-SHD, through (02) 8632-9935 or email at blss.shd@deped.gov.ph.

For compliance.
