In-Charge of Office

Subject: ALS Teachers District Reassignment

Date: January 4, 2023

1. With reference to Regional Memorandum No. 456, series of 2022 titled "Revocation/Cancellation of Issued Government Authority for Redistricting" dated October 19, 2022, this division announces the district reassignment of ALS teachers who are affected during the redistricting in compliance of such issuance.

2. All ALS Teachers who were assigned at the created districts within the municipality shall report to their original district assignment whether their catered Community Learning Centers (CLCs) are within or not the covered barangays of the said districts for purposes of allowing the ALS teachers to directly report to their respective District Supervisors. This is also to ensure that ALS activities shall be properly monitored and signatories of all reports especially the Daily Time Record are authentically accounted.

3. In the event that a certain ALS teacher was assigned at another municipality by virtue of the redistricting, he/she must have to return back to his/her original district and municipality where he/she was assigned prior to the issuance of the redistricting provided that he/she will return back to his/her original district by school year 2023-2024 during the mapping period so as not to jeopardize the services he/she has to render to his/her learners at this present school year.

4. Wide dissemination of this memorandum is desired.
