**DR. ROY C. TUBALLA, JD, CESO VI**

Schools Division Superintendent  
Division of Zamboanga del Norte

Dear **Dr. Tuballa,**

Greetings from **Land Bank of the Philippines – Dipolog Branch!**

We would like to inform your office that LandBank Dipolog Branch will comply with the mandates from our national government specifically the **Republic Act 11032** or the Ease of Doing Business and Efficient Government Service Delivery Act of 2018 and **Executive Order 170** or the Adoption of Digital Payments for Government Disbursements and Collections. As the Official Depository Bank of the Republic of the Philippines, LANDBANK developed our very own digital banking solutions, to wit:

- ❖ **LINK.BIZ PORTAL** - partners from different government and private offices can use this facility as a channel for their clients to pay their dues and other payables online;
- ❖ **weAccess FACILITY** - partners from different government and private offices can do various banking needs other than cash deposits like fund transfer, payments to other government offices, payroll, bank statements and even payments to their various suppliers online.

With the adoption of our digital banking solutions, LandBank clients and partners be it government and private can achieve the following benefits:

- ✓ **time efficiency** - our clients can do banking transactions at the comfort of their offices, no need to go to LandBank and waiting at the bank's lobby and still waiting for the teller for their transaction to be called;
- ✓ **cost efficiency** - no need to spend money for transportation expenses as well disburse money for fuel;
- ✓ **speedy delivery** - because the transaction is done online the delivery of the services be it payment or banking transaction happens right after the approval of the authorizer;

- ✓ **work prioritization** - functions and duties can be prioritized very well, in DEPED's case, teachers' functions and duties will not be impaired or interrupted since they will not go to the bank anymore.

Considering the above, we would like to request your office to please instruct the different schools who maintained current accounts with us, the school principals and disbursing officers to enroll the accounts to our digital banking solutions due to the reasons also cited above.

Moreover, we also request your office to guide our school teachers to enroll their payroll accounts to LandBank Mobile Banking called **iAccess** so they can view online if their salary is already credited to their respective accounts, no need to go to LandBank to ask for snapshots, they only need to do the following:

- visit [www.landbank.com](http://www.landbank.com)
- click iAccess
- click Sign Up Now
- encode their payroll account number
- encode their ATM four-digit PIN
- encode 0 as JAI
- encode personal details
- then submit

After the enrollment and to prevent online scam and fraud, please advise them to download Landbank Mobile Banking Application from the Play Store in android phones or App Store in iphones.

As our partner in nation building, we are in this together, hoping for your appropriate action on this matter.

Thank you for your usual support and more power!

Sincerely,

  
**DM GINA P. BALITON**
