Division Memorandum
No. **280**, Series 2024

**TURN-OVER CEREMONIES OF DOST STARBOOKS AND VISSER
PROJECTS TO THE IDENTIFIED RECIPIENT SCHOOLS
OF THE DIVISION, SCHOOL YEAR 2022-2023**

TO: All Public Schools District Supervisors
All Principal In-Charge of the Districts
All Elementary and Secondary School Heads
All Elementary and Secondary Science Teachers
Other Concerned Personnel

1. The Department of Science and Technology (DOST) has provided Science & Technology Academic and Research-Based Openly-Operated Kiosk System (STARBOOKS) technology to 15 schools and one for the learning resource section of our division on October 26, 2022 and July 31, 2023 respectively. After which, Versatile Instrumentation System for Science Education & Research (VISSER) followed.
2. This act manifests all out support of DOST to the Schools Division of Zamboanga del Norte learners who have high quest for scientific knowledge and who wanted to be scientifically literate when they finish their schooling.
3. As we venture on the different stages of the STARBOOKS and VISSER projects, we able to almost reach the end of the rope.
4. It is in this juncture that we strongly and intently require your presence and join with our stakeholders in witnessing the turn-over ceremonies of the twin projects and to participate in the capacity building intended for the end-users thereafter. The turn-over will happen on **Wednesday, May 22, 2024; 10:00 a.m. at the 4th floor of the New DepEd Building, Capitol Drive, Estaka, Dipolog City.**
5. Travel and incidental expenses of School Heads, Science Coordinators and School ICT Coordinators or Teachers of the project-recipient schools who will be taking part of the Turn-over ceremonies will be charged against MOOE, LGU fund (if any), or SEF. These expenses will still be subjected to the usual accounting, auditing rules and regulations.
6. Immediate dissemination of this Memorandum is enjoined.

ROY C. TUBALLA EMD JD, CESO V
