1. In relation to Division Memorandum No. 14, s. 2024 titled DIMA Validation and Technical Assistance Activities, and due to intervening activities, which hinder some TA providers to travel on schedule for the purpose, this office hereby extends the period to conduct the subject activities up to the end of the 3<sup>rd</sup> Quarter of SY 2023-2024.
2. The extension time is also meant to enable the composite TA teams to cover at least 30% of schools randomly selected, within their assigned districts, as well as to give the field certain leeway to complete the submission of district/school assessment data to be used for the provision of TA.
3. Accomplished TA logs must be the initial outputs of TA providers. Monitoring report on the action of schools/clients upon the latter's commitments as logged, must also be rendered to complete the documented information of the whole TA activities.
4. Immediate dissemination of this Memorandum is directed.
