Dear Sir Tuballa;

Greetings!

World Vision Development Foundation (WVDF) would like to express our deep gratitude for the continued partnership we have in reaching out to the most vulnerable children. We could not achieve our mission without your support.

As you know, one of our current projects in Siayan, Zamboanga Del Norte, the Disability Inclusion Project, is focused on providing some educational support to children with disability as well as providing orientation and training to stakeholders and caregivers on how they can support these children.

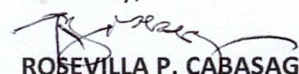

With this project, we aim to develop a digital learning books using Filipino Sign Language (FSL) and a Learning Plan for the children. However, this cannot be done without the support of your office as the main educator of the children in Siayan.

In this regard, we would like to request your office to allow the **Siayan District focal SNED teachers from the following schools** (See attached list) who were also recently trained in FSL, to a 3-day FSL digital book and Learning Plan Development Workshop **on November 20-22, 2024** at **Training Center, Siayan, Zamboanga Del Norte**. The main goal of this is to develop learning materials for children with disability, which we hope to launch, together with your office as well, in time for the International Day of Persons with Disability this coming December 5, 2024.

We are hoping for your kind support as we all aim for a more inclusive education.

Thank you for your continued support

Sincerely,

ROSEVILLA P. CABASAG
