1. The Department of Education, in partnership with the World Bank, implements the Teacher Effectiveness and Competencies Enhancement Project (TEACEP) which aims to improve the quality and equity of instruction from Kindergarten to Grade 6 (K-6) in Regional Office IX by supporting teachers and school leaders in enhancing teaching practices to strengthen learners' literacy and numeracy.
2. TEACEP supports one of the key goals in the Philippine Development Plan (PDP) 2023-2028 which is to improve education and promote lifelong learning. Furthermore, it supports government efforts to achieve "quality, inclusive, adaptive, resilient, and future-ready basic education for all" by focusing on enhancing teaching quality for literacy, numeracy, and socio-emotional skills for K-6.
