Anchored in the initiatives under **INDIGO** (Indigenized Goals and Objectives) as embedded in the **RAINBOW** program (Reinforce Action, Innovate, Nurture, and Build Opportunities Wholeheartedly), we are dedicated to promoting literacy and numeracy in a manner that respects and integrates cultural sensitivity. To further this mission, the division will conduct a training entitled: **“Roots and Stories: Advancing Literacy in IP Education through Culturally Relevant Storybooks”** on **December 3–6, 2024**, at **Top Plaza, Dipolog City**.
- This training aims to cultivate a learning environment where Indigenous Peoples (IP) learners feel valued, understood, and empowered, while fostering cultural pride and enhancing their literacy and numeracy skills.
- The participants of this training include Kindergarten and Grade 1 teacher, School Head and IP Elder of the identified IPED implementing schools as found in the enclosure.
- Meals and accommodation of participants, travel expenses of Division IPED Core Team, Resource Speakers/Resource Persons and honorarium of non-DepEd Resource Speakers and Community Resource Persons are chargeable against the Division IPED PSF while travel expenses of participants are chargeable against the School MOOE/Local Funds subject to usual accounting, auditing rules and procedures.
