USE OF GOVERNMENT INSURANCE SYSTEM (GSIS) TOUCH MOBILE APPLICATION

In relation to Memorandum DM-OUHROD-2023-0715 dated May 30, 2023 with the subject: **Use of Government Service Insurance System (GSIS) Touch Mobile Application.**

The Government Service Insurance System (GSIS) launched the enhanced version of **GSIS Touch, a mobile app** that provides members and pensioners instant access to their GSIS records using their mobile phones. The application now recognizes fingerprint or facial image for login of users using smartphones with biometrics capability/feature.

Through the enhanced **GSIS Touch**, active members may now generate tentative computations of their loan and claim benefits, as well as submit their loan and claim applications. They may also view their membership and insurance policy records; keep track of their premium remittances and loan payments; and check their dividends, among others.

Accordingly, to speed up the process in accessing member's records and avail of GSIS Services all DepEd Officials and Employees are encouraged to download the **GSIS Touch Mobile Application** on or before **March 15, 2024** and utilize it.

For immediate and widest dissemination.
